

## *Planning a Special Event?*

Are you planning an ultra-formal wedding, a high-profile corporate meeting, or just a freaky Halloween party—a small intimate gathering, or inviting a thousand people? Cover Ups will set the stage for a memorable occasion that will leave a lasting impression on your guests. Always at the cutting edge of fashion trends in chair covers and linens, we carry quality inventory from around the world from basic poly-cotton and organza, to elegant specialty linen, Cover Ups can meet all of your needs.

## *Overwhelmed with Details?*

One meeting with our professional event planning staff and you can leave all the details to us. With Cover Ups' Turnkey Service Package, you can arrange for Cover Ups to deliver your linens and set everything up (metro Atlanta). When the event's over, we'll come back to pack it up and take it away!

## *Nervous about Event Day?*

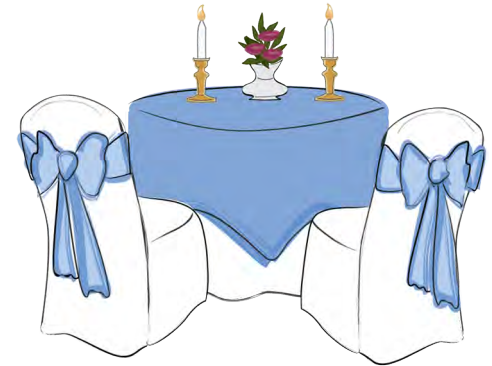

No matter how much planning goes into your affair, you can't always foresee last minute developments. With our extensive, locally-based inventory, in-house laundry, extended hours and experienced staff, Cover Ups can manage those unexpected surprises!

## **Personal Consultation**

Our professional event planning staff will give you the individual attention you need to select the colors and fabrics, advising which coordinate best in the facility you have selected. We can also

recommend florists, caterers, pastry chefs, equipment rentals, and other services that will complete your event plan.

## **Saturday Hours**

There is only so much time you can take away from your busy schedule to plan a special event. We're here on Saturdays, by appointment, between the hours of 10:00 a.m. and 2:00 p.m.

## **Locally Based Inventory & Showroom**

Having access to all of our inventory means you can touch and feel the linens, see the true colors and try different combinations. You can be sure you will have your order on time and in the best condition. When unexpected guests arrive, we can very quickly provide the linen and/or chair covers for additional settings.

## **On-Site Setup (Metro Atlanta)**

Covers Ups offers a turnkey service package with on-site delivery, setup, and retrieval. Ask our planning staff about this economical, worry-free option. If you prefer, you can pick up your linens at our Roswell showroom. Of course, we'll give you complete "hands-on" chair cover and linen installation instruction.

## **Surrounding Areas**

If you're outside the Metro Atlanta area, Cover Ups takes the hassle out of shipping. Your linens will arrive a couple of days early, so you can check the order for completeness and accuracy. After the event, simply pack the linens in the duffel bags provided, using the prepaid return label and call FedEx for pick-up!

## **Industry Knowledge & Relationships**

Cover Ups has established, long-term positive relationships with local and regional facility managers and event planners. We maintain an extensive database of the chair, table and other special setup requirements for all of the facilities we service.
